WHEN YOU VOTE

Are you going to express your approval of this present system of OWNERSHIP OF THE MEANS WHEREBY YOU LIVE by a small class of UNNECESSARY and absolutely useless CAPITALISTS? Are you not yet alive to the fact that the Old Political Parties, both Liberal and Conservative, are invariably working for the absolute subjection of YOUR CLASS, the only necessary class in Society To-day? Do you realize the fact that all Liberal and Conservative Governments are making laws that have the effect of separating you from the Ownership of property in any form? Do you know that wealth today consists chiefly in the power to command the Labor of hordes of propertyless Slaves called WAGE SLAVES? Don't you see that it is you that create all the means of life today, and that it is for the purpose of preventing your making use of that wealth that Liberal and Conservative Governments exist?

Or, Are YOU going to express your dissatisfaction of this present SYSTEM of ever increasing UNEMPLOYMENT AND MISERY in your class

By Voting For the Party That is Your Class,

THE INTERNATIONAL PARTY

of the working-class, the Party that is steadily advancing towards Political Power, the only Party that has for its Object the ECONOMIC FREEDOM of all?
